## **Research Policy**

### ***Preamble***

The Pune District Education Association has the vision and mission “ बहुजन हिताय बहुजन सुखाय” : Welfare of the many-Happiness of the many. The Annasaheb Magar Mahavidyalaya strives to obtain the vision and mission at ‘Research Programmes.’ The research programmes are compounded with aim of community welfare programmes, postgraduate project works and Ph. D programmes. The institute focuses on promoting Research Culture by accomplishing it with teaching – learning in which analysis, thought, expression and publication are integrated.

### ***Aims and Objectives***

The Research policy presents the principles that guide the research activities perpetuating the integrity of scholarly investigation that helps the faculty and students in achieving excellence and contributing to the society extending to global level .

### ***Research Policy***

The research policy of the institute has been laid by the research committee of the institute. The research policy of the institute constitutes of :

1. The research work is based on learning new technologies, addressing emerging national and global challenges, the best practices and environmental sustainability with a holistic approach.
2. The ethics in research work and methodologies are followed as per norms with whole consideration and sincerity.
3. The publication of research articles is done in journals abiding the rules and regulations laid down by university, UGC and other national authorities.
4. The research information updated by researchers on <https://vidwan.inflibnet.ac.in> and google scholar and other essential databases.
5. We aim to perform quality research to serve community along with all stake holders support and contribution.

Hereby we aim to perform research with all truth and hope to strengthen the institute's pursuit of missional excellence and attain responsibility towards global sustainability!
